PETITION UNDER 37 C.F.R. §1.182

Sir:

Applicants hereby respectfully petition to the Honorable Commissioner to withdraw the terminal disclaimer concerning US 6,403,076 which was filed by applicants along with their reply dated September 24, 2004, and which was executed by applicants' representative on September 24, 2004, in reply to the Office action mailed on July 27, 2004.

The respective terminal disclaimer was intended to address the provisional rejection of applicants' Claims Claims 21 to 25 under the judicially created doctrine of obviousness-type double patenting as being unpatentable in light of claims 1 to 6 of US 6,579,953 which was raised in the Office action mailed on July 27, 2004.

The rejections based on US 6,403,076 and the corresponding international application published as WO 99/04750 under the judicially created doctrine of obviousness double patenting and under 35 U.S.C.

§102(a) which were also raised by the Examiner in the Office action mailed on July 27, 2004, were addressed in applicants' reply dated September 24, 2004, by argument pointing out distinct differences between the subject matter claimed and disclosed in US 6,403,076 and the subject matter of the claims pending in the application.

Due to an inadvertent error on the part of applicants' representative, the terminal disclaimer erroneously referenced US 6,403,076 instead of **US 6,579,953**, and the obviousness-type double patenting rejection based on **US 6,579,953** was therefore reiterated by the Examiner in a final action mailed on January 12, 2005.

Applicants have filed a terminal disclaimer referring to **US 6,579,953** along with their reply to the final action, which reply is of even date with this petition.

In light of the circumstances summarized above it is respectfully requested that the terminal disclaimer referring to US 6,403,076 which was erroneously filed on September 24, 2004, be withdrawn. Favorable action is solicited.

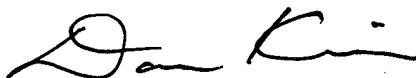

FEE UNDER 37 C.F.R. §1.17(H):

It is respectfully requested that the \$130.00 fee set forth in 37 C.F.R. §1.17(h) be charged to Deposit Account No. 11.0345.

Please charge any shortage in fees due in connection with the filing of this paper, including Extension of Time fees, to Deposit Account No. 11.0345. Please credit any excess fees to such deposit account.

Respectfully submitted,

KEIL & WEINKAUF
